Leawo DVD Copy is a fast and easy-to-use software application which enables you to copy and clone DVD content. It comes in handy if you are looking to back up your current movie collection, for example. Quick setup and simple-to-use interface The installation operation is a fast and easy task which does not require special attention. As for the interface, Leawo DVD Copy adopts a simple window with a neatly organized structure, which provides access to all important options at startup. Configure settings easily before cloning DVDs In addition to reading DVD content directly from disc, Leawo DVD Copy supports DVD folders and ISO images, for both the source and output destination. It is possible to set the target, pick the disc type and copy mode: full movie, main movie or custom mode. The latter option enables you to select preferred titles, audio track and subtitle stream while previewing media in a tiny, built-in player. Before starting the cloning procedure, you may examine the disc size and write a disc label. There are no other noteworthy options available here. Evaluation and conclusion Leawo DVD Copy takes reasonable time to finish a cloning job while using high CPU and moderate RAM. It is very responsive to commands and worked well in our testing, without triggering Windows to hang, crash or pop up error messages. Although it does not come equipped with rich features, Leawo DVD Copy offers a simple solution to backing up DVD movies to disc, local folders or ISO images, and it can be easily used by anyone, even those with little or no previous experience in DVD processing software. On the other hand, the overall package is a bit expensive.03 March 2016 Portrait of an Ancient Archeologist The above is one of the portraits I've drawn for my 2014 graphic novel, "Lost to History: Adopt an Icon". Although it's an unusual style, it's also one of my favourite. I've always liked to try new things and grow as a designer. Portrait of an Ancient Archeologist, drawn in a sketchy style, is a portrait of a middle-aged man. He's wearing a jaunty cap. His expression is neutral. He's wearing a button-down shirt, jeans and sandals. The background colours are warm orange, yellow, brown and dark blue. The copyright of this image belongs to Christian Stolk. I prefer to
